When I hang around my house,  
I do it theatrically, Is somebody watching me?  
Hey, Oh it's you,  
You scared the crap outta me, Why are yo filming me?  
Don't you know I hate it when you sneak up on me like  
that,  
I was just about to crack you in the head with this bat,  
So now, I'm gonna read a book, and give you a dirty  
look,  
Just let me read my book, GOD!

I like to dress up like a fabulous clown,  
Do you like my hair up or does it look better down,  
When it's Emo like this I look Japanese,  
I look like Zoolander now. Hey!  
Why are you filming me, I'm using the lavatory,  
Doing a number 3!

Hey, By the way, did you pay the cable bill?  
It was on the windowsill  
You're hot but your dumber than a shoe,  
I'm singing about a dude, but they wont let me show  
the dude Hey!  
Because parents were outraged when I was only AMA's,  
But they seemed to be ok with lady gaga's vajayjay!

It's totally cool when two chicks make out,  
Everyone is amused,  
I just put my crotch in my dancers face and it got on the  
news,  
That doesn't make sense to me,  
Ow I just hit my knee,  
Why are you filming me?  
Stop laghing at me!  
Why are you filming me!  
OUCH...
