Written, produced and performed by:  
Keysha for Organized Bambino Entertainment, inc.

Empezamos, I got what u want  
satisfaction guarantee  
we diggin' in the cartes (ooh ooh!)

Everybody wanna be wild wild shoe shinnin?  
Look at the sea of black hands and bodies  
Can't you see we be sparklin' , we be twinklin'  
Look over head, uh, dark skies we blazin'  
Anytime of day u got booties that's shakin'  
If it is a dream we never wanna be awaikin'  
Like an everyday anniversary, no CIA  
No Sean Connerys, no double O  
Seven, won't stop our black bakery  
Rythm slaveries, the only one salary  
Is to make u dance baby, when we in command  
Is to have u glance ouais ouais, the Cattybaby stance  
You may be thinkin' all we do is cameos  
Videos, gang bang and good shows  
You don't know baby, planetary emperors  
That's good doctors and big entrepreneurs

Empezamos, I got what u want  
satisfaction guarantee  
we diggin' in the cartes (ooh ooh!)

Now u ready for, we opening golden door  
Ambassadors, from any of the globe shores  
It's yours, bina baby, no tiny tiny  
No Donnie Brasco here, no really one sneaky sneaky  
Empezamos, endiamos, all guerilleros  
Por nosotros, musica, para, todos  
Los muchachos, all negros gatos, es belissimo  
Come to the land with the Organized Bambino  
No shady baby, no way none come between us  
Tryin' to dim us, we put a foot up in the anus  
Play diablo, you'll look like the deco  
Mess with our shit, it's mano a mano  
Pero i pero, what a waste negro  
Yo we could be together chillin' hotel Delano

We could be together hookin? up beats and magots  
Niggers understand the quality is not the kilo

Empezamos, I got what u want  
satisfaction guarantee  
we diggin' in the cartes (ooh ooh!)

And even if Kaysh dada got the formula  
Brothers wanna hang out smoke black suga  
Behave like a Kung-Fu masta  
And be like que sera sera  
Black sea of love hit yo ground hit yo casa  
If it was Disney land I'd be that nigga Mufassa  
Do u ear da phat beats slammin in ya cabesa  
O ye ko bina , nou vin sekou~!½
