( Better bounce baby, yeah yeah / IÂ'll make you dance  
baby, haha, haha  
Better bounce baby, yeah yeah / Make u dance baby,  
make u dance baby )x2

ItÂ's the world wide ,chico, cominÂ' , to yo / Caraibeen,  
city or any pueblo  
Myself plus, every other emcees that u know / From my  
crew hit you with the crazy menu  
I please u, with the fat beats and cute hair / With lotion,  
I got no magic potion  
Just emotion, music I create thatÂ's a passion /  
Make a lotta dough and smiles thatÂ's my mission /  
Delicious, specialist, not a vandal /  
If ya wanna play the Van Damme tete aw an kannal  
Niggaz wanna ambush me, cause bouche a bouche /  
Too much, thatÂ's why I stay the bush  
Check out the sound that hit like bamboo / Check out  
the beat that change the hair do  
The original, sex crocodile / The original, sexy and wild

If sounding good was a crime, IÂ'd be a criminal / In  
the industry they know me like the music hall  
Now u know who bring the cream / Organized playas  
and Kaysha make you scream papa  
the fat shit, the bad team u need / Baby donÂ't be  
worried about the way we proceed  
Maybe young in the factory but I study / For the 98,  
spend the money with me  
All the niggaz in the west indies buy the shit / All the  
sexies in the clubs, move on it  
Mcs from West Indies, deja vu in the menu / Famous  
like the fugees, baby baby please  
Number one in the menu / Kaysha, It was previewed /  
One mo time like yo sista u shine  
Who make u dance uh uh, uh uh / Mike, make u  
bounce, uh uh, uh uh

I know u wanna know who da best dada / No contest,  
Indies West to Cuba  
Smoke cigarillo, even day festivo / Hot like fuego, the  
musical bambino

Sons of millions blacks from Haiti / to Paris, we got a  
mad band's diary  
U don't know who I be stampeede, mozambique / My  
techniques come from, yo I'm not a bad seed  
From a bad sex, that's why I rock rollex / On the arm  
deck, Don't like we get typex  
I got the next, millenium, ready for my text / If ya feel  
bad about it get a fervex  
The incredible, crazy with style / The irrational, too  
many gals  
Crazy lovable, though I don't push a lex / I push a  
bike, but u like my sex
