Have u ever loved someone
from the bottom of your life and soul
Â...it feels like you flyinÂ' foreverÂ...
have u ever felt like writing
poems and letters
Â...and feel like the sunshines for ever
well u my special someone
And IÂ'll love you for ever
Mama, you are my woman
Mama, you are my woman
and I, will never let you down
you are my only one for ever
Have you ever felt for someone
Like givin away everything
Â...it feels like life has a meaning
Have you ever felt like crying
Just like I feel right now
Â...it feels like the deepest feelinÂ'
Well if you feel the same way for someone
I hope u make her listen to this song
Mama, you are my woman

Mama, you are my woman
and I, will never let you down
you are my only one for ever
ohÂ... It feels so deep I wanna cry
cause you were there
like a helping hand
you were there
i will never forget it mama
