U gotta learn from your mistakes
learn from your mistakes
An ja pale baw
An sav sa ka fe mal

An ja pale baw, you gotta learn
Cause everytime yo heart burns, you keep earnin'Â'
Yearnin'Â' for a better way, u want the butter way
Everybody in the milky way wanna sip zay
No pacha life without the hard work
No bashes, splashes, no rock flashes
Think about the way yo mom she got wounded
She had nervous breakdown

I do what I gotta do, sorry
for the things that I do to you, Like me
u know nobody's perfect / So
let me learn from my mistakes (gimme a break)
Ou ja sav ki jen en yÃ~Â¿Â½
