my friends  
will never let me down  
my friends  
will always be around

i got friends by the billion, none of them  
real, girls by the billion all of them feel me  
for my money, fake honeys  
i make money, then u love me  
i roll with with my people, what u want  
sounds for the discos, supa dons  
use me and my essence, then again  
they stab me in the back in a distance  
my friends never owe me homie  
my friends never do me homie  
my friends do respect me homie  
so i guess that u not my friend homie

my friends  
will never let me down  
my friends  
will always be around

There comes a time in your life no matter what you do  
You'll ½
