when i get older, i'll jump up to the sky and talk to the stars about you

when i get deeper, i'll dive to the bottom of the seas and get these pearls for you baby

cause i got one love
and i can love u for the rest of my life

when get stronger, i'll walk up to my ex tell her that i'm history

sooner or later, i'll and put a ring on your finger and love you forever and after

and shower you with my love

cause u my destiny, my ebony

my ivory, on my piano keys

the reason why, i'll travel through, the seven seas,

cause u are

When I get wiser, i'll
