iÂ'm sorry for the day when i messed up i told u itÂ's
over
i been such a fool
just a crazy fool
iÂ'm down on my knees beggin u beggin please
come back
girl come back to me
dont let me here

ou ni reson kite mwen baby girl
ou ni reson

all alone in my room tryin to be cool
but im so cold
iÂ'm so lonely now
And i know my flaws
a man in this world ainÂ't nuttin without
his woman
still iÂ've let u down
and I canÂ't be a man about it

ou ni reson kite mwen baby girl
ou ni reson

ouh wo oh
