Yeah

Playa cardz right

Lord knows how I tried  
To give everything I have in me  
Maybe one day we both could see  
If we take our time, and get it right  
Maybe, baby, we could be forever  
So please don't go (go)  
But living in a dream, yeah  
It's so amazing how your smile takes me away  
But everything Giving all of the pain (pain)  
I've seen before I want to share my life with you  
I want to be the one, yeah

[Chorus:]

I want to be the one who  
You can depend on(depend on)  
Who be the one who be there (through the thick and thin)  
Go by the water we won't leave until the morning  
We won't leave until the night  
And we will be forever more

No one else can do  
What you do for me  
Take me away from the pain  
I feel inside (I feel inside)  
And it's going to be alright  
It'll be okay  
If we try, and take our time  
Please, baby, take your time  
And we'll grow  
Trust I know  
I want to be the one who

[Chorus:]

I want to be the one who (ehh)  
Who you can depend on (depend on)  
Who be the one who be there (through the thick and thin)(Who be the one)

Go by the water we won't leave until the morning(yeah  
yeah who be there)  
We won't leave until the night(come on yeah forever)  
And we will be forever more

[Bridge:]

Playa cardz right ya see ma love  
No one can compare to ya boy (oh yeah)  
Take your time ma love  
I'm going no where(no no no)  
Be patience love (Be patient, baby)  
Playa cardz right you see ma love, you see ma love  
Your more than I love  
Playa ya cardz right ya just enough  
Be forever

[Chorus:]

I want to be the one who  
Who you can depend on(yeah be the one)  
Who be the one who be there (through the thick and  
thin)(oooo)  
Go by the water we won't leave until the morning  
We won't leave until the night(no where)  
And we will be forever more

It takes a real man  
Luther Vandross  
Teddy Teddy  
Oh eh
