Oh we got something going on

We gon party on and party on and party on

If u let me do my thing

i wont let you down

imma do all the things the a man like me is supposed
to do

come and dance with me

until the mornin light

we gon. Just the way. That a man
and a girl. Are supposed to be

i got the feelin that we gon be together for a while

Oh we got something going on
Mr Deejay levanta o som
We gon party on and party on and party on

do you wanna be my baby

iÂ'll make sure we keep on dancin

imma king u a queen we gon rule the dance floor

thats my quality

iÂ'll make you move slow motion

this night was made for you and me baby

Oh we got something going on
Mr Deejay levanta o som
We gon party on and party on and party on

Girl, u gon see, we gon be, together for a while

Can't you see, you and me, true lovin' baby
Girl, u gon see, we gon be, together for a while
Can't you see, you and me, true lovin' baby

be together for a while

Oh we got something going on
Mr Deejay levanta o som
We gon party on and party on and party on
Oh we got something going on
Mr Deejay levanta o som
We gon party on and party on and party on
