Everybody over here, everybody over there  
Oh mwen telephonew baby love I love you

Iâ'mma call you in the mornin'Â'  
Iâ'mma call you in the evenin'Â'  
Talk about crazy sex positions  
Make u wet baby that's my mission  
If I could freak you right now  
Iâ'll make yo ass go blow  
But I got to love you over the phone  
Yeah got to please u after the tone  
Iâ'mma bite cause Iâ'm wild  
A blue sex crocodile  
Lick the phone as if your ear  
Hey lady have no fear  
If you want the true Jon Blaze  
I got the fingers and please  
Forget the things yo mama told ya  
Safe sex's the best flex

Everybody over here, everybody over there  
Oh mwen telephonew baby love I love you

I make the crowds go wild  
But I like you on my side  
Iâ'll Make u mine in the sauna  
Iâ'll Freak you right in the bima  
Servi lan main aw  
Pas besoin yeux aw  
I can feel I make you wet  
Iâ'm the man that make you sweat  
So watcha doing in your sofa  
Come over my casa  
Punany get serious  
I feel like we furious

Everybody over here, everybody over there  
Oh mwen telephonew baby love I love you

If you could feel my heartbeat  
If you could hold the joystick  
Â...Telephonew baby

Some people say it's nasty  
On the phone with my baby  
Â...Baby baby baby  
I got a crazy habit  
U can tell a paparazzi  
On the telephone with my nana  
I had the \*\*\*\*\* go banana
