Over and Over  
LaLaLaLaLaLaLaLaLa (Krucial Keys)  
LaLaLaLaLaLaLaLaLa (Keyshia Cole)  
It's the way it is

[Verse 1]  
Baby I remember  
A time when we were so secure but  
Now it's like December  
When you say that I'm so insecure and  
I gotta get away  
Cause' your making me weak  
It's keeping me trapped (keeping me trapped)  
I gotta be a fool  
Sitting here tryna get that old thing back (thing back  
oh)  
Oh

[Pre-Chorus]  
You use to keep your word  
Was one who always did what you said  
You use to speak to me so sweet  
With something caring to say  
Oh, you don't even try no more  
Oh, you don't even care no more

[Chorus]  
I don't wanna love you  
Don't wanna need you  
Just wanna leave you (I swear)  
I just want it to be over (I just want it to be over)  
I just want it to be over (I just want it to be over)

[Verse 2]  
It's like I hate to love ya  
A charade we play time after time (time after time)  
It's like ya love to see me  
Confused and a mess I'm losing my mind (I'm losing  
my mind)  
I gotta get away  
Cause' your making me weak

It's keeping me trapped (keeping me trapped)  
I gotta be a fool  
Sitting here tryna get that old thing back (thing back  
oh)  
Oh, Oh, Oh, Oh

You use to keep your word  
Was one who always did what you said  
You use to speak to me so sweet  
With something caring to say  
Oh, you don't even try no more  
Oh, why you don't care no more

[Chorus]  
I don't wanna love you  
Don't wanna need you  
Just wanna leave you (I swear)  
I just want it to be over (I just want it to be over)  
I just want it to be over (I just want it to be over)  
Hey

[Bridge]  
LaLaLaLaLaLaLaLaLa (La, La, La, La)  
LaLaLaLaLaLaLaLaLa (No I don't wanna here it no  
more)  
LaLaLaLaLaLaLaLaLa (All the lies, Oh)  
LaLaLaLaLaLaLaLaLa (You, You, You use to)

[Pre-Chorus]  
You use to keep your word (hey)  
Was one who always did what you said (baby you  
cared)  
You use to speak to me so sweet (so sweet)  
With something caring to say (oh)  
Oh, you don't even try no more  
Oh, why you don't care no more

[Chorus]  
I don't (I don't) wanna love you  
Don't wanna (no) need you  
Just wanna (I wanna) leave you (I swear)  
I just want it to be over (I just want it to be over)  
I just want it to be over (Hey)

[Chorus]  
I don't (Oh) wanna love you  
Don't wanna need you  
Just wanna (don't wanna) leave you (I swear)  
I just want it to be over (I just want it to be over)  
I just want it to be over (Can it be over?)
