[Chorus]

I want to get, you want to get
Let's go and get down and dirty baby
Play the game, play my way
But either way it's all the same baby

I want to get, you want to get
Let's go and get down and dirty baby
Play the game, play my way
But either way it's all the same baby

[Verse 1]

You're the type of guy to drive a girl wild
And you're the type of guy to make a girl smile
Boy you've got me tripping deep down inside, and all
these feelings for you that I have I can't hide
People say, don't get down with you, but I know how I
feel for you
Though I may deny it, I'm digging you and that's how
I....
Wanna get down

[Chorus]

I want to get you, want to get
Let's go and get down and dirty
(Baby play)
Baby play the game, play my way
(The same baby)
But either way it's all the same baby
(The same baby)

I want to get you, want to get
(So let's)
Let's go and get down and dirty
(Now baby)
Baby play the game (baby), play my way(baby)
But either way it's all the same baby
(The same baby)

[Verse 2]

There aint no way, they can make me think I should go
away
I've been around you baby everyday

And the song I sing, every word I mean 'cause I can't
stop something (can't understand the end)
Baby don't stop your touch, I could never get enough
Sweetie feel me up, with your precious love 'cause
that's just how I want to get down....
With you

[Chorus]

I want to get, you want to get
Let's go and get down and dirty baby
(Baby feel me)
Play the game, play my way
But either way it's all the same baby
(I need your precious love)

I want to get, you want to get
Let's go and get down and dirty baby
(Oh baby
Play the game (baby), play my way
But either way it's all the same baby
(Either way, either way, yeah)

[Fading]

Baby, baby play
