[Keyshia Cole]

I admit that you almost had me
I admit I was almost crazy
Had me thinking 'bout calling that bitch that night and
let her know where she can come and meet me
But it's cool i'mma be a lady
She think she cute but she don't phase me
And if you knew about all this good love you'll be
missing out on you wouldn't, of, played me!
Can't say I'm not hurt
I'd be damned if I'm broken
What we had is now hers
Let her know she can have it
Cause I-I-I can't stay here, if there's no love
Yeah I-I-I can't stay here, 'cause I've had enough
Enough of no love, enough of no love
No love!
And I admit that I thought about creeping
So you could get a dose of how I feel
Cause our hearts can never seem to break even
But what's the use I rather pack it up and leave
Cause here we are again, cause you're wrong again
You're trying to tell me that you love me
But your actions say another thing
Can't say I'm not hurt
I'd be damned if I'm broken
What we had is now hers
Let her know she can have it
Cause I-I-I can't stay here, if there's no love
(Can you hear me ladies?)
Yeah I-I-I can't stay here,
(Put your hands in the air)
'cause I've had enough
Enough of no love, enough of no love
No love!
[Lil' Wayne]
Why you worried 'bout that other hoe
Cause that other hoe worried bout another hoe
Yeah, you say it's over, but you still fussin'
You just clumsy, always trippin' over nothing
That other bitch is just that other bitch
I give her space, and give you the mothership

We can't let her tear down what we built
I told you if you ride it out, i'll be your seatbelt
In sickness, and in health, for rich, poor, and I stay rich
Love is a bitch, and bitches aint shit
And i'm riding with a girl named keyshia
Smoking on Kesh
Cause I-I-I can't stay here, if there's no love
Yeah I-I-I can't stay here, 'cause I've had enough
Enough of no love
Cause I-I-I can't stay here, if there's no love
Yeah I-I-I can't stay here, 'cause I've had enough
Enough of no love
