Been sittin', thinkin' 'bout you
And I am wonderin' why we're not gettin' along
So frustrated 'cause what we had was a happy home

I don't know what the situation is
But I can tell in the way we kiss
We don't talk no more, it feels better when I'm alone

Sometimes I feel like there's no gettin' through to you
Like you don't appreciate all that I do
You gotta show me that you want me to stay
Don't turn and walk away

Baby, I'm slowly fallin' out of love with you
I don't know what to do
How did we end up here this way?
What are we gonna do?

I'm slowly falling out
Baby, we're trippin' on silly things
Boy, I need you to meet me half way
If you want me to be with you

I remember when I be with my friends
You checked on me and made time to call
But how things have changed
Now I don't hear from you at all, yeah, yeah

Sometimes I feel like there's no gettin' through to you
Like you don't appreciate all that I do
You gotta show me that you want me to stay
Don't turn and walk away

Baby, I'm slowly fallin' out of love with you
I don't know what to do
How did we end up here this way?
What are we gonna do?

I'm slowly falling out
Baby, we're trippin' on silly things
Boy, I need you to meet me half way
If you want me to be with you

Don't let your pride get in the way
On somethin' we worked so hard, don't throw it away
I've been tryin' to make you see
Everything you need is right here with me

Sometimes I feel like there's no gettin' through to you
Like you don't appreciate all that I do
You gotta show me that you want me to stay
Don't turn and walk away
(Baby, I'm slowly)
Don't turn and walk away

Baby, I'm slowly fallin' out of love with you
I don't know what to do
How did we end up here this way?
What are we gonna do?

I'm slowly falling out
Baby, we're trippin' on silly things
Boy, I need you to meet me half way
If you want me to be with you

I'm tired of givin' my all
(Slowly fallin', slowly fallin')
How did we end up here this way?
I just wanna know what are we gonna do?

Slowly fallin', slowly fallin', slowly fallin'
How did we end up here this way?
What are we gonna do?

Slowly fallin', slowly fallin'
How did we end up here this way?
What are we gonna do? Yeah

Slowly fallin', slowly fallin'
How did we end up here this way?
I just wanna know what are we gonna do?
