Yeah, if you really wanna know
Come on

Never thought you'd be the one
To play games the way you did
I gave my heart away to you
Never thought you'd leave the way you did

You meant the world to me
How could you just let me breath
Let me go away from you
Let me be alone

And you never lied to me baby
You said, you'd always be around
Now I need more

(Give me more)
Ooh, what you do for me, ooh, what you do?
(I want more)
Ooh, what you do for me and ooh, what you do?

(I need more)
Ooh, what you do for me, ooh, what you do?
(Give me more)
Give it to me everyday, I need you in every way

So don't stop the way you love me
I don't wanna love no more
Oh, lover take me in your arms
Understand I'm all for you
Until the end of time, baby, you'll be mine, ooh

And you never lied to me baby
You said, you'd always be around
Now I need more
(Give me more)
What you do for me, ooh, what you do?
(I want more)
Ooh, what you do for me and ooh, what you do?

(I need more)

Ooh, what you do for me, ooh, what you do?
(Give me more)
Give it to me everyday, I need you in every way

When did you fall, when did it all just go away?
When you say that we would never ever see the day
I wouldn't wanna be without you and your love
I thought we'd always be together

And you never lied to me, baby
You said, you'll always be around
And now I need more

(Give me more)
Ooh, what you do for me, ooh, what you do?
(I want more)
Ooh, what you do for me and ooh, what you do?

(I need more)
Ooh, what you do for me, ooh, what you do?
(Give me more)
Give it to me everyday, I need you in every way

(Give me more)
Give it to me everyday, I need you in every way

(Give me more)
Give it to me everyday, I need you in every way
Ooh, what you do?
