Have yourself a merry little Christmas
Let your heart be light
From now on all our troubles will be out of sight, yeah

So have yourself a merry little Christmas
Make the yule-tide gay
From now on all our troubles will be miles away

Here we are as in olden days
Happy golden days of yore
Faithful friends who are dear to us
Yeah, they're near to us once more

And through the years
We all will be together if the fates allow
Hang a shining star upon the highest bough

And have yourself a merry little Christmas
Have yourself a merry little Christmas
Have yourself a merry little Christmas, now
