Sitting here at home
Thinking 'bout you all alone
Wondering where it all went wrong
Got a confession to make...
Since you made me happier
Now all I can do is hurt
When you left you took my heart
Got a confession to make...

I'm heartbroken .. without your love
I'm heartbroken .. yes, I've had enough
I'm heartbroken
I don't know what to say
I've never felt this way

I'm heartbroken .. without your love
I'm heartbroken .. yes, I've had enough
I'm heartbroken
I don't know what to say
I've never felt this way

We had something so true
I realized I meant nothing to you
I guess you thought I was your fool
Got a confession to make...
Now I realize the truth
I don't want anything to do with you
It's just the way I was attracted to you
Got a confession to make...

I'm heartbroken .. without your love
I'm heartbroken .. yes, I've had enough
I'm heartbroken
I don't know what to say
I've never felt this way
