I know your type
That smile, and those eyes
It's all a game
And I won't be playing it
Never again yea yea yea

But here we go
I'm losing control
Throwing caution to the wind
Here in the dark
You stole my heart
Baby here we go again
Oh here we go
Oh here we go

Don't wanna get so much to lose it all
But you got me where you want me
Get so much to lose it all
But you got me where you want me

I know your type
That smile, and those eyes
It's all a game
And I won't be playing it
Never again yea yea yea

But here we go
I'm losing control
Throwing caution to the wind
Here in the dark
You stole my heart
Baby here we go again
Oh here we go
Oh here we go

You got me

Don't wanna get so much to lose it all
But you got me where you want me
Get so much to lose it all
But you got me where you want me

Got me

Oh oh baby here we go oh
Pedal to the floor, oh baby here we go
Searching high ay, IÂ've been searching low ow
Til you came along ong
Baby here we go go
(Baby baby baby baby)
Here we go oh, baby here we go oh
Pedal to the floor, oh baby here we go
Searching high ay, IÂ've been searching low ow
Til you came along ong
Baby here we go

Here we go
Oh here we go
Oh baby here we
Oh baby here we go
Oh baby here we go
