Baby . . .

*[Verse 1:]*

First of all let me say  
You can't accuse me of all the things  
you know that you are guilty of  
And I see that it is easy for you to blame  
everything on me  
If that's the case I should go have my fun  
and do all the things you say I do  
Boy I can't continue to take this from you

*[Chorus:]*

I might as well have cheated on you  
As much as you accused me of cheating  
I might as well have lied to you  
As much as you accused me of lying  
I might as well have gone to the club  
As much as you accused me of clubbin'  
I might as well have threw away my love  
As much as you accused me

*[Verse 2:]*

You say I was out with somebody else  
When my girl told me she saw you with some girl  
(Some girl)  
But I didn't accuse you of something that I didn't see  
myself  
Realize that I wouldn't never do anything to disrespect  
you  
Trust me, you gotta stop accusing me

*[Chorus]*

*[Bridge]*

Don't you know I wish I knew  
that you would treat me this way  
If you don't promise me

that you've changed your ways I'm leaving today  
And I ain't coming back  
And you made it like that  
Was unfair to me  
I'm stressin'  
I'm your everything  
What will you do without me?  
Why you trippin'?

*[Chorus]*

I should have lied  
I should have cheated  
Maybe I should have went out to the club  
Or maybe I ... should have done it  
Should have given away all my love  
Or maybe I ... I should have played you  
Cause you don't appreciate me, no  
And I tried to stay down with you  
But you're making it hard for me

*[Chorus]*

As much as you accused me of cheatin'  
I should have cheated  
As much as you accused me of lying  
As much as you accused me of clubbin'  
(I love you)  
As much as you accused me of cheatin'  
I should have cheated
