(chorus)-(p. diddy)

Last night i couldn't even get an answer,  
I tried to call,  
But my pride wouldn't let me dial,  
And i'm sittin' here...with this blank expression,  
And the way i feel,  
I wanna curl up like a child.  
(p. diddy)

I know you can hear me.....  
I know u can feel me.....  
I can't live without you...  
God please make me better..  
I wish i wasn't the way i am.....  
(keyshia cole)

If i tol' you once,  
I tol' you twice,  
You can see it in my eyes,  
I'm all cried out with nothin' to say,  
You're everything i wanted to be,  
If you could only see your heart belongs to me,  
I love you so much,  
I'm yearin' for your touch,  
Come and set me free,  
Forever yours i'll be,  
Baby won't you come and take this pain awayay.  
(chorus)-(p. diddy)

Last night i couldn't even get an answer,  
(you said you couldn't get an answer baby.)  
I tried to call but my pride wouldn't let me dial,  
(but that should've never stopped you.)  
And i'm sittin here,  
(sittin' there.)  
With this blank expression,  
(I'll be with you my baby.)  
And the way i feel,  
(way i feel.)  
I wanna curl up like a child,  
(ooohh baby, ooohh no)

(keyshia cole)

I need you,  
And you need me,  
This is so plain to see,  
And i will never let you go and i will always love you  
so..i will..  
If you could only see your heart belongs to me,  
I love you so much,  
I'm yearin' for your touch,  
Come and set me free,  
Forever yours i'll be,  
Baby won't you come and take this pain awayay.  
(chorus)-(p. diddy)

Last night (ooohh last night.)  
I couldn't even get an answer,  
(ooohh baby why you wanna do this to me, heyyy.)  
I tried to call,  
(alright.)  
But my pride wouldn't let me dial,  
(why wouldn't you just dial me up baby, ooohh.)  
And i'm sittin' here with this blank expression,  
(don't say anything baby, ooohh no ooohh no.)  
And the way i feel,  
(alright.)  
I wanna curl up like a child,  
(i'm sooo alone, i'm sooo lonely baby, ooohh.)  
(p. diddy)

Tell me what there is to say to make you come back  
and work me like dat,  
And if it matters it matters if it don't,  
With you i'm never alone,  
Don't wanna wait 'til your gone,  
Let me be, just don't leave me.  
(chorus)-(p. diddy)
