[Intro/Verse 1]

Every girls got to go through it and  
every mans' got to go through it  
It's a thing called love  
Listen to me now, Listen to me  
I still remember the day that you said you was a  
badboy  
Man I should have listened when you said you was a  
bad boy  
You took control of me I thought you would change for  
me  
Everything different now reminiscing ain't the same  
boy,  
How I let you come and hurt me like this boy  
This boy, I am open now I want to get away  
but you are forcing me to stay

[Chorus:]

Love I thought you had my back this time  
but man I am wrong this time  
It's a thing called (thought you had my back)  
Love I thought you had my back this time,  
but man I am wrong this time,  
It's a thing called love

I loved you for your ways  
but your ways hurt me bad boy.  
Hurt me so bad why you want to see me sad boy,  
I am tired of crying over you  
but I miss you so much I don't know what to do  
seems that I gotta move on  
live life with out cha, but every time someone  
comes around to talk about you  
I get feelings inside again  
I wanna be right back by your side again.

[Chorus]

Ooh ooh ooh You got me ya,  
ooh You got me ooh ooh,  
You got me ya, ooh.

And I don't know what to do.  
I thought you had my back I am so wrong I am so  
wrong.

Ya its all good though sometimes in life you know  
situations  
come your way you just gotta make good decisions  
man,  
You know you gotta know your focus in life and if love  
is your  
focus then man pay attention.

You got me ya.  
I am so stuck right here.
