Said Iâ€™m no good without you  
And I couldnâ€™t do better  
Tryina make me feel so lost without you  
And all the things that you told me  
You tryina kill me softly  
Guess I just didnâ€™t know enough about you yeah

When I think about what we had  
I canâ€™t help but get so mad  
Cuz we could never get it back  
When I trusted you like that

Who do you think you are?  
To say that you are the best that I ever had  
Who do you think you are?  
To say that you are the best that I ever had

Oh I bet youâ€™re missin me now  
That my love ainâ€™t around

Said I was so unlucky  
Youâ€™re damn right, I must be  
I no one else could love like you loved me yeah  
But I was scared of being lonely  
Thinking you were right for me  
But you just didnâ€™t know enough about me yea

When I think about what we had  
I begin to get so mad  
Cuz we could never get it back  
When I trusted you like that

Who do you think you are? (do you think you are)  
To say that you are the best that I ever had  
Who do you think you are? (tell me)  
To say that you are the best that I ever had

I kept on loving  
I kept on loving you  
Even after all you took me through  
After all the things you took me through

I don't know why I miss you but I do  
What I wanna know from you

Who do you think you are? (do you think you are)  
To say that you are the best that I ever had  
(Why would you hurt me like that?)  
Who do you think you are? (do you think you are)  
To say that you are the best that I ever had

Oh I bet you're missin me now  
That my love ain't around  
(Who do you think you are?)  
I bet you're missin me now  
I know you're missin me  
That my love ain't around
