You're tellin me we're cool  
But, that just ain enough 'cause  
Everything that you do  
Makes me want you more.  
Feelings that I have for you  
Can't be replaced easily  
But you see to think that  
You have the best of me.

(Bridge:)  
But, my love is closed for you  
Let nobody enter  
Even when i'm with someone  
Ain't the same when i'm with ya  
(Please tell me)  
That you're listenin'  
(Please tell me)  
That you're hearin' me 'cause  
I'm gonna be here always!

(Chorus:)  
(Even if you gimme)  
All your love  
(Even if you gimme)  
All your kisses  
(It will be never....)  
(Even if you gimme)  
All you love  
(Even if you gimme)  
All your kisses  
(It will be never....)  
Give me all you love  
Never be enough  
Give me all you love  
Never be enough

Even if you give me 'cause  
I don't know that, baby  
If it still will be but,  
Every time i see you, boy  
Ooh what you do to me  
Make my body shiver, lift

Quiver, wanna say your name  
Lovin you is like an emotional ride  
Here to stay

(Bridge)  
(Chorus)

(Rap:)  
Yo, don't give a fuck about the money  
And the bank you got  
Love you the same  
Even if you give me trinkets stop  
Got my heart in ya hands  
And i think you know  
Can't put a price on my love  
And the way we grow  
I think I  
Melt inside when you look in my eyes  
Baby all i see is you  
Fuck them niggas who try  
Don't ever worry about my loyalty  
Tried the others and i'm cool  
'Cause you treat me like i'm royalty  
Been through the bullshit  
Been through the games  
Been through the telephone arguments  
With nothin ass games  
All them crazy days you helped me maintain  
Sometimes i think your love be keepin me sane  
Never worry, daddy  
I never goin' nowhere  
Whatever happens, best beleive  
I'ma stay right here, yea  
I need your kisses and i need your touch  
Don't ever think i've had it all  
'Cause it's never too much, come on.

Give me all your love  
Never be too much  
Give me all your love  
Never be too much

Chorus (x3)
