Yeah, yeah  
Can you hear me?  
Hey

Too hot to just stay, ain't gonna let you go baby  
Why don't we dance slow?  
You take me away from here  
I don't see nobody else here but you

Don't worry about nobody else baby  
'Cause they ain't worried 'bout you  
Just work with my body, put that thing on me  
See there ain't no other man

Ain't no other man stole my heart the way you do  
Ain't no other girl livin'  
No other girl livin' who'd love you like I could

Hey, hey, alright  
Hey, hey, hey

So that's why I wanna push up, up on ya, hey  
'Cause I'd be a fool to pass up, up on ya, hey  
So give me your lovin', I wanna get to know, yeah my  
baby  
'Cause ain't no other man loved me the way you do  
See there ain't no other man

Ain't no other man stole my heart the way you do  
Ain't no other girl livin'  
No other girl livin' who'd love you like I could

Hey, hey  
Hey, hey

Ain't no other man stole my heart the way you do  
Ain't no other girl livin' who'd love you like I could

So don't hold back, let's live the story  
Oh how I adore thee, oh how you adore me  
You're just right, my type, my type  
I like hard to run, but I like KC's Ferrari

I could never bore you, you could never bore me  
If I was your shawty, I could be, I should be your shawty  
My love is genuine, relevant, no heartbeat, so put it on  
me  
Go off like a [Incomprehensible]

You can make it shine on the days that are stormy  
Little body heat, rubbin' little feet  
Now we go from cold to warm sheets  
Gotcha feelin' on these warm cheeks  
You without me, hardly

Hey, hey, can you hear me?  
Hey, hey

Ain't no other man stole my heart the way you do  
Ain't no other girl livin' who'd love you like I could

Hey, hey, can you hear me?  
Hey, hey, no, no, no, no, no

Ain't no other man stole my heart the way you do  
Ain't no other girl livin' who'd love you like I could

Can you hear me?  
Hey

Ain't nobody else  
See baby there ain't another love  
Baby, there ain't another woman who'd do you like I  
could do
