Keyshia Cole-One Day

I won't worry too much baby,
On whether love will show up baby.
I won't give him all my tears,
I won't show him all my fears,
I'm okay.
I believe that someday He will come my way.
'Cause I done let my heart wide open,
Like a door wide open,
With a note tellin' lovin' just to come in(come in).
So I'm countin' down the days, 'till love comes to me.

Ref.

(One day love) One day, some day love,
(One day love) Is gonna find me, hurry up and find me.
(One day love) They told me that love will show up(love
will show up)
Yeah

They told me patience and trust baby,
Is the way to your love baby.
So I've been patiently waitin'
And I trust that he's gonna come.
Oh yeah
And I done let my heart wide open,
'Cause I done let my heart wide open,

Like a door wide open,
With a note tellin' lovin' just to come in (come in).
So I'm countin' down the days 'till love comes to me.

(One day love) One day, some day love,
(One day love) Is gonna find me, hurry up and find me.
(One day love) They told me that love will show up (love
will show up).
Yeah

The clock is tickin'
The clock is tickin'
And still I'm sittin' here waitin' waitin' waitin' for love,
love, love

Waitin for love, love, love, oh

The clock is tickin'

The clock is tickin'

And still I'm sittin' here waitin' waitin' waitin' for love,
love, love

Waitin for love, love, love, oh

(One day love) One day, some day love,

(One day love) Is gonna find me, hurry up and find me.

(One day love) They told me that love will show up (love
will show up)

Yeah
