Verse 1:

See I knew from the start,
Once I gave you my heart
You would do everything right
So I let down my guard, gave you a chance
Since then you've been proving me right
See I know this is real
Cause I've been through so much in the past
Yes I know this is true, when it comes to me and you

Pre-Chorus:

Love's such a crazy thing
That we all carry
Sometimes it goes, and sometimes it stays
Hard to get over, so hard to explain
The way that I'm feeling for you

Chorus:

I really, really wanna have you
Really wanna take you, really wanna show you
That I really, really care
I really, really wanna tell ya
That you're really special
That it almost seems unsafe

Verse 2:

Oh it's the way that you touch me,
The way that you kiss me, the way that you love me so
bad

Chorus:

I really, really wanna have you
Really wanna take you, really wanna show you
That I really, really care

Verse 3:

Being with you feels so brand new
Bay you're one of a kind
This day and time, it's hard to find
A good man to stand by your side
You still open my door, offer your court

When it gets cold outside
You still come to make sure that I made it safe
And you still kiss me good night

Pre-Chorus:

Love's such a crazy thing
That we all carry
Sometimes it goes, and sometimes it stays
Hard to get over, so hard to explain
The way that I'm feeling for you

Chorus:

I really, really wanna have you
Really wanna take you, really wanna show you
That I really, really care
I really, really wanna tell ya
That you're really special
That it almost seems unsafe

Oh it's the way that you touch me
The way that you kiss me
The way that you love me so much

Chorus:

I really, really wanna have you
Really wanna take you, really wanna show you
That I really, really care

If you feel what I'm saying,
Got love for your man
Say oh, say oh
If you feel what I'm saying
And you got a good man
Say oh, oh

Chorus:

I really, really wanna have you
Really wanna take you, really wanna show you
That I really, really care
I really, really wanna tell ya
That you're really special
That it almost seems unsafe

Oh it's the way that you touch me
The way that you kiss me
The way that you love me so much

Chorus:

I really, really wanna have you
Really wanna take you, really wanna show you
That I really, really care
