[VERSE 1]

I try to tell myself that it's really over  
That it's just to late for me to go back there  
Need to walk away, need to keep my pride, on with my  
life  
Gettin' sick and tired of this situation  
Somethin' deep inside just can't seem to face it  
I'm not goin' back but somehow I can't say goodbye

[Chorus]

Someone needs to tell my heart  
Get it to believe that it's over  
Tried and tried a thousand times  
I'm still here  
I can try to walk away but I only seem to end up  
nowhere  
I made up my mind that's the easy part... someone tell  
my heart

[Verse 2]

We went through the trials and the tribulations  
Til' I finally got tired of all the waiting, for you to come  
in, tell ya this was it, this I know  
I deserve better, than you gave me, I deserve better  
and it kills me, that i'm holdin' on, I need to be strong,  
let you go

[Chorus]

Someone needs to tell my heart  
Get it to believe that it's over  
Tried and tried a thousand times

I'm still here

I can try to walk away but I only seem to end up  
nowhere  
I made up my mind that's the easy part..someone tell  
my heart

Someone tell my heart, I don't love you if I can't  
convince myself, I just don't know what i'm gonna do,  
what i'm gonna do

[Chorus]
