When we were together, I held you down  
I gave you all of me, but look at us now  
Thinking of all your excuses, but they don't add up  
Now it's so easy to see you don't deserve my love

You pushed me far...you brought me to this  
You had my heart...but then you blew it  
And I'm so over you, go get lost  
Boy who do you think that you are?

Trust and believe me, you're gonna need me  
Trust and believe me, she'll never be me  
And I'm so over you  
Go get lost  
Boy I don't know Who you think that you are

You look so foolish  
With my best friend  
And she ain't no better than you  
She's a 3, I'm a 10 en en en en  
So why are you calling my phone?  
You aint got nothing I want  
Thought we were really in love  
But that was all a front

You pushed me far...you brought me to it  
You had my heart...but then you blew it  
Ohh ! And I'm so over you, go get lost  
Boy who do you think that you are?  
Trust and believe me, you're gonna need me  
Trust and believe me, she'll never be me  
And I'm so over you  
Go get lost  
Boy I don't know Who you think that you are

How did you try to clean it up?  
Boy please just stop it now  
Don't make a sound

Cause you pushed me far...you brought me to this  
You had my heart...but then you blew it  
Woah..I'm so over you, so get lost

Boy who do you..  
Who you think you are?

Believe me, you're gonna need me  
( you're gonna need me )  
Trust and believe me  
( believe me )  
She'll never be me  
And I'm so over you  
Go get lost  
Boy I don't know Who you think you are

I'm so over you  
Go get lost  
Who do you think that you are?
