Why would you lie to me?  
Baby, why would you lie to me?  
Why would you lie?

See, all of these years  
I been putting up with  
You deceiving me  
And I ain't even know  
But I found out

Can you hear my heart beat?  
Cause it dropped, it dropped, it dropped  
Once you told me  
I've been giving you all of me  
All of me yea yea yea  
But I could never understand

Why would you lie to me?  
And even if you told me  
Why would you lie?  
Why would you lie?  
Baby  
Why would you lie?  
So confused, don't know what to do  
Don't know what to do, don't know what to do

I changed my life  
So we could be happy  
I didn't give a damn  
When nobody thought of me  
But I found out

Can you hear my heart beat?  
Cause it dropped, it dropped, it dropped  
Once you told me  
I've been giving you all of me  
All of me yea yea yea  
I could never understand

Why would you lie to me?  
Even if you told me

That you lied to me  
Cause it would make no sense that you lied to me  
Why would you lie?  
Iâ€™ve been holding on, tryina be strong  
Why would you lie?  
I donâ€™t know why Iâ€™m here no more

How could you let her  
Destroy what  
We had everything we built  
How could you let her  
Take it  
All away  
But now you want me  
Let her  
Destroyed what  
We had everything we built  
How could you let her  
Destroy everything  
I could never understand

Why would you lie to me?  
Even if you told me  
That you lied to me  
Even if you told me you did it just to protect me  
Why would you lie?  
You ainâ€™t had no place at all doing what you did  
Why would you lie?

Nah, you ainâ€™t had no place at all  
But itâ€™s all good  
Cuz itâ€™s all good

Why would you lie to me?  
Iâ€™ve been holding on  
Tryina be strong for you baby  
Why would you lie to me?  
And this donâ€™t make no sense  
I lose myself in all of this  
Why would you lie to me?  
I stayed up all alone  
Waiting for your ass to come home  
Why would you lie to me?
