If I never had the pain that I had  
would I be a stronger day, or would I just gave up  
and if I didn't write love, would you give me a chance?  
hey  
Would I have found my way or would I had gave up?

I wonder wonder wonder wonder wonder  
I wonder wonder wonder wonder wonder  
Uh, I wonder would you still love me  
and would you even care, uh  
I wonder wonder wonder wonder wonder  
wonder would it be like, like like like like  
wonder would it be like like like like like

If I never share a tear or care about the ones who need  
to hear  
if I made it loud then you can make it out,  
how many survivors in heal that wanna know the truth  
I'm no better than you  
we can do together to the start to the weather  
I'll be there for you.

I wonder wonder wonder wonder wonder, oh yes I will  
I wonder wonder wonder wonder wonder,  
Uh, I wonder would you still love me  
and would you even care, uh yeah  
I wonder wonder wonder wonder wonder  
wonder would it be like, like like like like  
wonder would it be like, like like like like

If you feel that the struggle is over  
and you know that you major out,  
let me hear you say yeah yeah yeah  
something that hear you say  
if you got love for me, for me  
like I got love for you  
let me hear you say yeah yeah yeah  
sing with me.

I wonder wonder wonder wonder wonder  
I wonder wonder wonder wonder wonder

Uh, I wonder would you still love me  
and would you even care, uh  
I wonder wonder wonder wonder wonder  
wonder would it be like, like like like like  
wonder would it be like like like like like  
Would it be like?  
Oh I wonder, aha
