

# Keyshia Cole Feat. Anthony Hamilton "Losing You"

Visit "[Losing You](#)" on [MotoLyrics.com](http://MotoLyrics.com)

If I said anything that I shouldn't have said  
I'm sorry, sorry, yeah

It's been too long, baby since you've been gone from  
me  
And I miss your touch  
'Cuz no one could ever, no, love me the way you do  
Oh no, no, no

Oh, and takin' me away from you will be no damn good  
for me  
I need you in my life, no one could compare to you

I'm so confused, don't know if I'm losin' you  
(Don't know if I'm losing you, oh)  
I'm so confused, don't know if I'm losin' you  
(Oh, baby)

And there's no way I could ever find someone real as  
you  
Keep it true like you do  
And I don't wanna lose your love, oh over being hurt  
before  
Being afraid before, no

And takin' me away from you will be no damn good for  
me  
I need you in my life, no one could compare to you

I'm so confused, don't know if I'm losin' you  
(I'm so confused, and I don't wanna lose your love,  
baby)  
I'm so confused, don't know if I'm losin' you  
(Baby, baby, baby, baby, please tell me you  
understand)

Baby, I know what you've been through so I'm here to  
relieve you  
Remind you, renew you, rebuild you  
Girl, I'll do whatever it takes just to reshape what, what  
he messed up  
'Cuz real love needs real love and I'm here love 'cuz I

need you, oh

And takin' me away from you will be no damn good for  
me

Said, I need you in my life, no one could compare to  
you

I'm so confused, don't know if I'm losin' you  
(Don't be confused girl 'cuz I'll never leave you, baby)  
I'm so confused, don't know if I'm losin' you  
(I don't know what I'll do without your love, baby, oh  
yeah)

Don't wanna lose you  
Don't wanna lose your love  
Don't wanna lose you
