let them fall
fall on me
ill teach them all
how to be

CHORUS:
im known yeah yeah
oh oh oh
im known yeah yeah
oh oh oh

little miss thang
how ya doin?
make a stand with no fear
who youre screwing?

CHORUS

check ma story
its on the nine oclock
youll see me square in all my glory
ill be sharp as shock

CHORUS

im the man
losers get outta my way
broadcasting pain on the loose
count down today

CHORUS
now youre known
everythings gonna be alright
nothing above you to worry about
only the clear blue sky

CHORUS

CANT YOU SEE THAT HES KNOWN
