Never gonna let you go
Ain't gonna let you go
Never gonna let you go
Ain't gonna let you go
Till you clean up the sea
The water you left in me
Never gonna let you go
Ain't gonna let you go
You took a piece of history
My own history
You took a piece of history
My own history
Then you came like a tree
You tried to put your roots in me
Never gonna let you go
Ain't gonna let you go
You gotta make a sacrifice
An ancient sacrifice
You gotta make a sacrifice
That everyone is a child of heaven
No single one can rule over all
Does an ancient law have a modern meaning?

Does making love make or break the fall
Of mankind?
Just thought I'd let you know
Just thought I'd let you know
Just thought I'd let you know
Just thought I'd let you know
Cause everyone is a child of heaven
No single one can rule over all
Does an ancient law have a modern meaning?
Does making love, making love
Never gonna let you go
Ain't gonna let you go
Never gonna let you go
Ain't gonna let you go
Never gonna let you go
Ain't gonna let you go
Never gonna let you go
Ain't gonna let you go
