And I'm telling you I'm not going
Your the best sister I'll ever know
There is no way I could ever go
No, no, no, no way
No, no, no, no way I'm livin without you
I'm not livin without you I don't wanna be free
I'm stayin and you your gonna love me
Aaahhh oh oh oh oh
And I'm telling you I'm not going
Even though the rough times are showing there is just
no way
There is no way
Were part of the same place
Were part of the same time
We both share the same blood
We both share the same mind
Tear down the moutains yeah scream and shout
You can say what you want I'm not walking out
Tear down the rivers
Pull strike and kill
I'm not gonna leave you
And I'm... telling you
I'm not going your the best sister I've ever know
There is no way there no way
I'm not livin without you I don't wanna be free
I'm stayin
I'm stayin
With you and you and you
Your gonna love me aaahhh
Oh oh oh oh
Your gonna love me yeah me yeah me yeah me
Yeah ahahahah ahahah oh
Me yeah
