My teddy bear berry  
He is so small and cute  
I love him so much  
If you ever seen him he would give you such a shock  
You could hold him  
He lighter than a rock  
My teddy bear  
He not even a pound  
He is so light  
You'll never drop him to the ground  
He is so cute  
My teddy bear berry  
He is such a cute bear  
And he is so balanced  
He could sit on a chair  
He is so cute  
Yeah yeah yeah yeah  
My teddy bear  
You'll love him so much  
He has a tiny tie  
It never gets wet  
Because berry is so dry  
My teddy bear berry  
I love him so much  
And if you seen him  
You would love him to  
He has the cutes  
He is cuter than a train that toot toot toots  
liiii  
Love berry so much  
He's my teddy bear berry  
If he was yours  
Than I would love him more  
My teddy bear berry  
My teddy bear berry  
My teddy bear  
Berry
