I wrote this song it's not too long
cos' I've been thinking 'bout you
I wrote this song maybe I'm wrong
To be caught up about you

Well I dont know what you think 'bout me
Maybe you think nothing at all
But maybe you could just lie to me
And we could be in love you see

Oh it's a singalong song that's not too long
It's when I think about you that I hear songs
And you can singalong maybe if you want to
Cos' baby I wrote this I wrote this for you

I wrote this song it's not too long
Cos' I'm the one who loves you
I wrote this song this can't be wrong
I don't wanna smile without you

Well I just want to make you happy
but maybe you want nothing at all
and how I wish that you're meant to be
forever and a day with me

Oh it's a singalong song that's not too long

It's when I think about you that I hear songs
And you can singalong maybe if you want to
Cos' baby I wrote this I wrote this for you

In everyway you mean more to me
than you'll ever know
girl I'll do my best to show these words are true
and if you'd like to make a song
and be a perfect harmony with me
I'd find the greatest words to sing
so we could write our own romance

Oh it's a singalong song that's not too long
It's when I think about you that I hear songs
And you can singalong maybe if you want to

Cos' baby I wrote this I wrote this for you

Oh it's a singalong song that's not too long
It's when I think about you that I hear songs
And you can singalong maybe if you want to
Cos' baby I wrote this I wrote this for you

Cos' baby I wrote this I wrote this for you
