I wrote this song it's not too long
cause I'm been thinking 'bout you
I wrote this song maybe I'm wrong
To be caught up about you
Well I don't know what you think about me
Maybe you think nothing at all
But maybe you could just lie to me
And we could be in love you see
Oh it's a singalong song that's not too long
It's when I think about you that I hear songs
And you can singalong maybe if you want to
Cause baby I wrote this
I wrote this for you

I wrote this song it's not too long
Cause I'm the one who loves you
I wrote this song this can't be wrong
I don't wanna smile without you
Well i just want to make you happy
but maybe you want nothing at all
but how i wish that you're meant to be
forever and a day with me

Oh it's a singalong song that's not too long
and I think about you that I hear songs
And you can singalong maybe if you want to
Cause baby I wrote this
I wrote this for you
In every way you mean more to me
Than you'll ever know
Girl i do my best to show these words are true
and if you'd like to make a song
and be a perfect harmony with me
I'd find the greatest word to sing
so we could write our own romance

Oh it's a songalong song
that's not to long
It's when I think about you
That I hear songs
And you can singalong maybe if you want to
Cause baby I wrote this

I wrote this for you
Oh it's a songalong song
that's not to long
It's when I think about you
That I hear songs
And you can singalong maybe if you want to
Cause baby I wrote this
I wrote this for you

Cause baby I wrote this
I wrote this for
you
