Moscow, Queen of the Russian land.
Built like a rock to stand.
Proud and divine.
Moscow, your golden towers glow,
Even through ice and snow.
Sparkling, they shine.

And every night, night, night there is music
Oh every night, night, night there is love,
And every night, night, night there is laughter.
Here's to you, brother, hey, brother ho.

Hey, hey, hey
Moscow, Moscow,
Throw your glasses at the wall,
Fame and fortune to us all, ho, ho, ho, hey
Moscow, Moscow, join us for a casatchok.
We'll be dancing 'round the clock ha, ha, ha hey
Moscow, Moscow
Drinking vodka all night long,
Keeps you happy, makes you strong ho, ho, ho hey.
Moscow, Moscow,
Come and have a drink again,
You will never leave again. Ha, Ha, Ha

Moscow
City of Mystery,
So full of history
Noble and old.

Mo-Mo-Mo-Mo-Mo-Mo-Moscow, there is a burning
fire,
That never will expire.
Deep in your soul.

And every night, night, night there is music
Oh every night, night, night there is love,
And every night, night, night there is laughter.
Here's to you, sister, hey, sister ho.

Hey, hey, hey

Moscow, Moscow,
Throw your glasses at the wall,
And good fortune to us all, ho, ho, ho, hey
Moscow, Moscow, join us for a casatchok,
We'll be dancing round the clock, ha, ha, ha, hey
Moscow,
La, la, la, la, la, la, la ho

Oh, oh, oh, oh, oh, oh, oh, oh, oh, oh

Russia is a wondrous land, Ah, ha, ha, ha
