Hu ha hu ha hu ha Kazachok...

Instead of melancholia
the ruler of Mongolia
was angry after meeting with his son.
(What a sight!)
He said, "it gets me raving
to see how you're behaving,
one day you will be king and that's no fun."
(He's so right!)

And so I'll have you know now,
you'll have to get to know how
and learn how to be king and rule the land.
(Day and night)
But you say fighting wars is only for the dumb
and all you ever do is play your drums!

'Cause I'm a Rocker I'm a Roller I'm a Rockin' Man
Daddy let me have some fun
Yes I'm a Rocker I'm a Roller I'm a Rockin' Man
I'm singin' yeah yeah, yeah yeah
I'm singin' yeah yeah, yeah yeah
He beats the fastest drum
beneath the sun
(A scandal and a shame!)
'Cause I'm the Rockin' Son of Genghis Khan.

Hu ha hu ha hu ha Kazachok...

He's not much of a fighter,
he tries to be a writer
and says he'll leave the war up to the rest.
(What a job!)
He'd like to drum and sing though,
just like his idol Ringo.
His father said "my goodness, who is that?"
(Ringo Starr!)

And when it comes to riding
he's likely to be hiding

and makes us all feel ashamed and bad.
(What a shame!)
But then the boy said "listen, dad, I'm not ashamed,
tonight I'll show you just how good I am!"

'Cause I'm a Rocker I'm a Roller I'm a Rockin' Man
Daddy let me have some fun
Yes I'm a Rocker I'm a Roller I'm a Rockin' Man
I'm singin' yeah yeah, yeah yeah
I'm singin' yeah yeah, yeah yeah
He beats the fastest drum
beneath the sun
(A scandal and a shame!)
'Cause I'm the Rockin' Son of Genghis Khan.

Look at me, Daddy!

Isn't he nice?
Isn't he good?
Isn't he sweet?
Oooohhhh!

Rock'n'Roll! - Kazachok! - Rock'n'Roll! - Kazachok!

I'm singin' yeah yeah, yeah yeah
I'm singin' yeah yeah, yeah yeah
He beats the fastest drum
beneath the sun
(A scandal and a shame!)
'Cause I'm the Rockin' Son of Genghis Khan.
