Hug me
Baby hold me
take me closer
Passion in our secret love affair

Kiss me
Darling squeeze me
Scratch my body
Baby let's commit adultery

Wow wow wow wow - let's commit adultery
Let's commit adultery

Pet me
Honey eat me
bend me over
Nasty vulgar love between the sheets

Ride me
Sweety bite me
Tip my velvet
Baby let's commit adultery

Wow wow wow wow - let's commit adultery
Let's commit adultery
