Done a lot of things that i'm not so proud of  
took a lot of turns that turned out wrong  
thats a worn out song  
day by day moment by moment taken my chances  
trustin my heart  
wasn't to smart

lonely and lost as iu could be  
no way it's up to me

Chorus:

i will survive i will endure  
when the goins rough  
you can be sure  
i'll tough it out  
i won't give in  
if i'm knocked down i get up again  
as long as my dreams alive  
i will survive

Lettin go of my bad habits  
Hangin on hope  
for better times  
i'll be fine  
learning to sleep in the bed the i made  
lay in the blank  
where it belongs  
i've gotta be strong

tear drops no one see's in me  
i won't stop cuz I always believe

Chorus:

(I will survive yeah i will survive  
i will survive)  
as long as my dreams alive  
i will survive

Chorus

i will survive fades to ending
