I am the master  
For all the elder gods  
Legions crush Jehovah  
Chaos - marching on  
Destroy all that is holy  
Raping souls of Christ  
Prepare for final judgement  
Infant-sacrifice  
Perish in flames  
The god of gods awaits  
Descent into the abyss  
Where the blood forever rains  
Killing fields, rotting corpses  
Darkness spreads it's wings as the realm  
Of madness dominates

I am - the dark  
The blackness, maze and dusk  
I am - the lord  
Of chaos and eternal night  
I am - the lurker  
Who brings you illusions and lies?  
I am - infernal  
Raping the souls of the dead  
Raping the souls of the dead!  
Blackened skies  
Screams of anguish all around  
Destroy the whole humanity  
Descend into - the realm of death  
Apocalypse  
Blood fills the air  
The holiness is burnt  
Shades of chaos everywhere  
No salvation  
No prayers needed  
For I'm your god  
The lord who gives you life  
And who takes it away  
Created to burn stupidity  
Created by hatred  
Fuck!
