Manhunt  
For thrill  
Driven  
To kill  
Blood red  
Portraits  
Putrefied  
Remains

[Chorus:]  
Defleshed  
Wade through blood-Intense  
Defleshed  
Psychopathic sense  
Corpses  
Coldness  
Stabbing  
In trance  
Anguish  
Torture  
Malice  
Slaughter

[Repeat chorus]

[Bridge:]  
Ripping out the guts  
To satisfy my lust  
Capturing a corpse  
Is in what I trust

[Repeat 1st verse]

[Repeat chorus]

[Repeat bridge]
