Boom! I got your boyfriend
I got your man
Boom! I got your boyfriend
I got your man
Boom! I got your boyfriend
I got your man
Boom! I got your boyfriend
I got your man

When I walked in the gym your man was talkin
Lickin his lips as I was walkin
He called my name to make me smile
Cause his buds were in the gym and I'm walkin with
style
So he grabbed my by the arm and pulled me to the
side
Said he'd be mine till the day I die
He told me he'd love me till the very end
Hey girl! I got your boyfriend!

Boom! I got your boyfriend
I got your man
Boom! I got your boyfriend
I got your man
Boom! I got your boyfriend
I got your man
Boom! I got your boyfriend
I got your man

When I first saw your man he was really fine
He had a natural shake it was so devine
He had a red marcadees vat it was hung down low
with a vutchie red top and a boom in the trunk
He kissed me on my cheek and you know thats all he
got now he calls me every night sayin I like you alot!

Boom! I got your boyfriend
I got your man
Boom! I got your boyfriend
I got your man
Boom! I got your boyfriend
I got your man

Boom! I got your boyfriend
I got your man

If you got a boyfriend you better hold on tight
And keep him insight every single night
Cause when I go out I look so fine
I'm dressed to the test and I'm one of a kind
I'll take him shake him ring him all out
I'll show your man what its all about
So when he tells you its the end
Thats when you know I got your boyfriend!

Boom! I got your boyfriend
I got your man
