(Intro)

Momma baby  
Make you say it  
Momma baby  
Come to momma  
Come to momma baby  
Make you say it

(Verse)

That you wanna be  
One to love 'er  
Under the cover  
I'mma make you say it  
Say you love her  
I'm giving you all, more than you need  
I'm making this so right, keeping this so tight  
I'm here to fulfill all your fantasies  
And I'mma make you say it

(Chorus)

Momma, momma  
Momma baby  
Make you say it  
Momma baby  
I'mma make you say it  
Momma baby  
Come to momma  
Come to momma baby

(Verse)

Make you say it  
Make you call my name  
I'ma make you love me  
Make you on my space  
I'm keeping your heart  
On top of me  
I'm shoving it all night  
Making this so right  
I'm 'bout to explode  
And you're ready to go  
And then they hear you say it

(Chorus)  
Momma, momma  
Momma baby  
Make you say it  
Momma baby  
I'mma make you say it  
Momma baby  
Come to momma  
Come to momma baby

(Verse)  
One to love 'er  
Under the cover  
Call me amazing  
Let me hear you say it  
Your love is sick, let me be your doctor  
Let me kiss it, let me fix it  
I'm here to live, give you all you need  
I wanna hear you say it

(Chorus x2)  
Momma, momma  
Momma baby  
Make you say it  
Momma baby  
I'mma make you say it  
Momma baby  
Come to momma  
Come to momma baby
