You put your trust in a nigga  
Syupid hoe  
How you figure?  
He gone fuck ya best friend  
And ya sista  
Lie to ya  
Then screwed ya  
Get mad if his homeboys do ya  
He's a nigga  
Don't let him fool ya  
They all dogs  
Thats what they do (uh!)  
Till you put a stop to the shit they pull and  
Get ya own shit  
Thats what you do and  
Don't worry bout him  
Or his jewels man  
You make him sweat dubs on your shit as  
You ride by  
Music high  
As hell too  
Lustin wit his bitch  
He watchin you  
You smile at him  
Nod at him  
Keep ridin  
'cause he'll wanna stop by when  
You see him lata  
He sees you off the chain  
Lookin good too  
You even got his bitch wantin'a freak you  
Don't trust no nigga no

Open up  
Let him freak you  
Do all the things  
Freaky things  
His bitch can't do  
From the back to the side  
Just ridin  
Tighten up  
Grip it down  
Shit wild then  
Put 'em out  
Get 'em up  
She's the one  
Nigga get gone  
Cussin blowin up ya cell phone  
I'm over you  
Yeah ya had to learn the hard way  
Cause you'll see I'm a queen  
I gives no fuck bout what ya might have to say  
In the end tho  
Knowin nuttin  
W/ nuttin  
Ya see where ya gonna be in the end bro  
Stuck in the hood  
While I'm straight  
Livin real good  
Lookin lovely  
So trust no nigga
