2 x Chorus:

Start it off in December
Made it straight through the winter
Playin' games in the spring
Some of you did you think
I'm looking forward far,
so through it all,
just fall back, fall back.

Are you gonna play me
Said you loved me when you don't
No one loves it at all, at all
I was call you care you won't baby.

You're melting ..no flakes away, (away)
I really believe you'll stay
But I was wrong, (I was wrong)
Now you're gone, (You're gone)
Now will fall.

2 x Chorus:

Start it off in December
Made it straight through the winter
Playin' games in the spring
Some of you did you think
I'm looking forward far,
so through it all,
just fall back, fall back.

I love the way you look at me, (at me)
and when you makes love to me, (to me)
Got me wing , I can't think
why did you leave baby?
How you gonna do this to me, (to me)
you told me that forever will be,
I can't live, I can't sleep,
I can't breathe baby.

[2 x Chorus:]

How did I endure here again

I let you hurt my heart again
I got so cut up we go shit,
But I hand out another..
you whisper sweet nothing's in my ear
Your eye should say loud and clear
Did me wrong? (did me wrong?)
So begun, just fall back, fall back.

[2 x Chorus:]

Girl let me tell you
You know I didn't told you already that you can't trust
no nigga
Met this nigga in December though we was in love
when I got me some head in Valentine's Day
Shit, bout the time you came round then them bitches
was shaking and they hot show
that nigga..
This is got.., bitch got sex straight to the voice man
Hey, I said my neck in my bed
not the bitch you met at body ..
You lied that's happened
and when them niggas be lying you got them niggas
fall back
cut em off
smash the cat back..that what you gotta do
Snatch your shit back
