## "Get Out"

I don't give a damn 'bout them hoes or them bitches  
you fucking,  
I gives a damn about you nigga, all that shit that you  
talking;  
Just get out... (get out...) get out... (get out...) get out...  
(get out...) get out...  
I could gives a damn 'bout what you sayin', cause bitch,  
I ain't playin';  
It's a wrap, mothafucka, yes, you're leavin' today...  
Just get out... (get out...) get out... (get out...) get out...  
(get out...)  
Get yo' shit and get out, get yo' shit and get out.

I don't give a damn 'bout them hoes or them bitches  
you fucking;  
I gives a damn about you nigga, or that shit that you  
talking,  
So mothafuck what you're saying, cause bitch I ain't  
playin',  
Cause it's a wrap, mothafucka, yes, you're leaving  
today...  
Oh yeah, I bet you know now I was the wrong bitch to  
play;  
Time's up, mothafucka, cause I'm tired of your game...  
Fuck you and your drama and your weak-ass mama;  
Kick-rocks, pedal-pusher, get your shit and get out.  
It's been a long ride, but yeah, nigga, I'm finally tired;  
It took a long time, but yeah, nigga, I finally got it,  
And all the hell you put me through, I guess I finally get  
it:  
You wanna fuck these dirty hoes, you wanna trick with  
these bitches?  
Well guess what, I quit it, I take all of your shit;  
Broke-dick mothafucka, I'm tired of being your sucka,  
You super-stupid-ass nigga, what that shit there be  
bout?  
I'll tell you what you about to do: you get yo shit and get  
out!

I don't give a damn 'bout them hoes or them bitches

you fucking,  
I gives a damn about you nigga, all that shit that you  
talking;  
Just get out... (get out...) get out... (get out...) get out...  
(get out...) get out...  
I could gives a damn 'bout what you sayin', cause bitch,  
I ain't playin';  
It's a wrap, mothafucka, yes, you're leavin' today...  
Just get out... (get out...) get out... (get out...) get out...  
(get out...)  
Get yo' shit and get out, get yo' shit and get out.

Take the bus, or the plane, and be on your way;  
Last call for alcohol, the last bell done rang,  
The fat lady done sang, so grab all your thangs;  
Your shit packed already, you can't state no claim...  
No more snacks, mothafucka - I ain't cooking no mo'!  
Pick up your brown doggy bag on the way out the door.  
Cause you's a man-ho, and that's not what I need;  
I need a king, fuck nigga, much respect to his queen...  
You's a nasty mothafucka, tryna flex for these hoes  
You clueless, silly mothafucka, how could you be so  
dumb?  
How could you be so weak? How could you be so lame?  
How could I ever fuck with you in the first damn place?  
My bad, I was wrong, I should have known all along  
That you could never be the one and this was never  
your home...  
I can do bad on my own, you know it's already on;  
You broke the last straw - ah nigga, poof and be gone...

I don't give a damn 'bout them hoes or them bitches  
you fucking,  
I gives a damn about you nigga, all that shit that you  
talking;  
Just get out... (get out...) get out... (get out...) get out...  
(get out...) get out...  
I could gives a damn 'bout what you sayin', cause bitch,  
I ain't playin';  
It's a wrap, mothafucka, yes, you're leavin' today...  
Just get out... (get out...) get out... (get out...) get out...  
(get out...)  
Get yo' shit and get out, get yo' shit and get out.

I could gives a damn...  
I could gives a damn... all that shit that you talking;  
Just get out... (get out...) get out... (get out...) get out...  
(get out...) get out...  
I could gives a damn...  
I could gives a damn...  
I could gives a, I could gives a damn 'bout what you

sayin', cause bitch, I ain't playin';  
It's a wrap, mothafucka, yes, you're leavin' today...

I don't give a damn 'bout them hoes or them bitches  
you fucking,  
I gives a damn about you nigga, all that shit that you  
talking;  
Just get out... (get out...) get out... (get out...) get out...  
(get out...) get out...  
I could gives a damn 'bout what you sayin', cause bitch,  
I ain't playin';  
It's a wrap, mothafucka, yes, you're leavin' today...
