"My Swag"

[Chorus:]

My walk, my walk, my swag, my swag
It's the best pussy ever had
It's the best pussy ever had
It's the best pussy ever had
My walk, my walk, my swag, my swag
It's the best pussy ever had
It's the best pussy ever had
It's the best pussy ever had, ever had

I'm the flyest bitch alive, Thug Misses understand
I make my pussy do tricks, guaranteed to take your
man
Pussy super fat, stay wet, my nig name Trill
Thug niggas love this pussy, how I rock my hips
Bad to the bone, redbone, love to shake my dreads
Love to watch it while it's goin in and out and out and in
Eat this pussy like some drums, nigga, make this pussy
cum
Do it fast, then take it slow, then back it up, then beat it
up
I'm a downtown naughty girl when I wanna be
I'm a lady when we fuckin and a bitch in the street
Cause my pussy is the best, extra juicy when it's wet
Like some Kentucky Fried Chicken with the biscuits and
the bread
I'm the Misses in the hood, every nigga wanna fuck
I'm the bitch that got you hating cause your nigga ain't
at home
Still standing strong, getting money, get like me
Pussy pumper number one, and you know it's extra
sweet

[Chorus]

You ain't never had a bitch to put it down like me
I get money all the time - fuck a dime, I'm a queen
I'm complete and unique from my head to my feet
I was created to be hated, them other bitches
overrated

Cause my pussy so good and I keep you so hard
Nigga, you see something you like, then come and get
it if you want it
Cause she can't do what I do, nigga;
That's part of the problem
And I'm gonna always gonna be on top of them other
bitches regardless
So what you mean-muggin' fo'? You envy me bitch?
Yeah, ho, you better keep it moving before I slide you
bitch
Cause when them hoes come incorrect, I have to put
em in check;
You can't get mad because your nigga like my pussy
the best
Ho, I'm the shit! and my swag is clean
And my pussy so perf, my attitude is mean
And ho, I love to get it crunk yeah, ho, if that's what you
want
I'm hater walkin' on you bitches cause yo nigga is ugly

[Chorus]

Now nigga lay back... and let me ease your mind
Come let me suck it for you good daddy one more time
Come eat this pussy from behind and let me ride the
dick
Smoke some blunts, then watch some flicks, then get
back to this shit
Cause Thug Misses never quits, I like to please my
thugs
I'm sexier than a sack of hundreds, come let me fuck
you on some
Yeah I'm off the chain, but shit I'm real about mines
I like to watch you while you suck it, I gets down bout
mines
So come and get this gangsta pussy cause I love the
dick
You know you wanna suck this pussy, go ahead and do
that shit
First let me tell you how I like it, just stay on top of the
clit
Play with my titties while you suck it, make me cum
even quicker
Then talk dirty in my ear, tell me how much you love it
Then bend me over stick it in - I'm talking gangsta
fucking!
Get this pussy nigga, we make magic together
Fuck them other dirty hoes you know my pussy is better

[Chorus]

I told you this was gonna be the best pussy you ever
had in your life.
